

ISS
INTERNATIONAL SCHOOL
SINGAPORE CAMPUS

Vision

Educating to make a difference.

Mission

To provide a multicultural educational environment for our students in which they achieve academic success, personal growth, and become socially responsible and active global citizens with a lifelong appreciation of learning.

We accomplish this through an international and dynamic curriculum delivered by enthusiastic and experienced faculty and staff in partnership with the student's parents and guardians in a caring and supportive community.

Admission & Enrolment

Due to our inclusive educational philosophy, ISS has non-competitive admission.

There are 484 students in Pre-Kindergarten through Grade 12. These students come from 42 countries from around the world. There are 191 students enrolled in High School (Grades 9-12). The class of 2019 has 48 students in all.

Curriculum

The International Baccalaureate Middle Years Programme (IBMYP)

Students in Grades 9 and 10 follow the International Baccalaureate Middle Years Programme (IBMYP). Students complete six subjects as e-Assessments and e-portfolios along with the Personal Project and Service As Action. Students receive the MYP Certificate awarded by the International Baccalaureate (IB) and/or MYP Results of Achievement indicating the grade they have attained.

The International Baccalaureate Diploma Programme (IBDP)

ISS offers the International Baccalaureate Diploma Programme (IBDP) for students in Grades 11 and 12. This comprehensive, rigorous two-year curriculum culminates in a series of external examinations.

Diploma students complete six subjects, three at higher level (HL) and three at standard level (SL). Students also study Theory of Knowledge, submit an extended essay (EE) and participate in Creativity, Activity and Service (CAS).

Academic Calendar

ISS operates on a two-semester calendar, with Semester 1 from early August to mid-December and Semester 2 from early January to early June.

Academic Grading Policy

ISS Grades are based on the International Baccalaureate 1-7 grading scale.

ISS does not rank or calculate GPA.

Accreditation

ISS is an International Baccalaureate (IB) school, accredited by both the Council of International School (CIS) and the Western Association of Schools and Colleges (WASC). ISS was authorised to offer the IB Diploma Programme in 2000 and reauthorised in 2005, 2011 and 2016.
