

Realising Potential

ISS PTA FAMILY FUN EVENING

Every year the PTA hosts a day of fun for all ages. This year will be a bit different from previous years and will be held on Friday, 5 April from 4-8pm. We are excited for a festive evening!

The main objective for the event is to bring families together. Fair-goers will be able to enjoy some crazy carnival games, bid on items for charity in a silent auction, support an array of local sustainable businesses at vendor booths, taste a variety of delicious food, and lift their spirits with some entertainment provided by members of the ISS community (one to watch for will be the sneak peek of "Once on this Island" by the MYP Drama Production.). The High School students will be showcasing some of their CAS (creativity, action, service) projects. People will even be able to get their car washed! And parents with little ones can rest assured there will be a cool space for them to take a break from the action.

The Family Fun Evening is also an event to raise money for charities that support people and animals in need around Singapore. 100% of proceeds raised by ISS will go to charities including the Foodbank, Red Cross, Dressemer and Willing Hearts.

The silent auction is the new addition for the Family Fun Evening this year. Students from the Elementary and Middle School will put together gift hampers to bid on with different themes and all proceeds go to charity. We also have some lovely art donated by a very well-known Australian artist, as well as some goods and services donated by local businesses.

As always, the PTA is humbled by the overwhelming support shown by our community whether in donations, volunteering time or supporting your children.
