## Chinese Brush Painting

G1 to G5 | Tuesday | 1:55pm to 2:45pm

This program is designed to help kids express themselves through art, build fine motor skills, and develop an appreciation for visual aesthetics. Whether they're painting cute animals or still life, your child will enjoy the creative sessions to nurture their appreciation for the arts and Chinese culture.

## Drama / Theatre

G1 to G5 | Tuesday | 1:55pm to 2:45pm

The Drama / Theatre ECA invites students to explore the world of performance, creativity, and storytelling. Through dynamic activities, students develop confidence, teamwork, and communication skills while expressing their unique perspectives on stage.

## Multisports

G1 to G5 | Tuesday | 1:55pm to 2:45pm

Participating in multisports helps students develop a wide range of physical skills, promoting overall fitness and coordination. It teaches them the value of teamwork, adaptability, and perseverance, which is needed both on and off the field. Engaging in various sports also broadens their understanding of different cultures and helps them learn about games that are played all over the world.

## Social Games

G1 to G5 | Tuesday | 1:55pm to 2:45pm

In the social games we will play together in groups in a variety of games, some of which are unique to Israeli culture and some of which are worldwide. We will experiment with one social game each week, where each game will have unique and clear rules.

## Art Club

G3 to G5 | Friday | 1:00pm to 1:50pm

The mission of PS Art Club is to ignite the imagination of each student and develop their artistic talents through fun, hands-on projects and inspiring activities. We hope to nurture every student's unique artistic abilities while fostering teamwork and self-expression.

## Board Games

G1 to G5 | Friday | 1:00pm to 1:50pm

If you like to use your thinking skills to develop strategy and have fun at the same time then this is the ECA for you. Learn strategies to play chess and other board games from around the world.

## Science Club

G1 to G5 | Friday | 1:00pm to 1:50pm

In Science Club, students will get to put on their imaginary lab coats and become little scientists! They will learn how to conduct easy and interesting science experiments, and interact with peers of different age groups and share their scientific knowledge with each other. Most importantly, the students will have lots of fun as they explore various scientific concepts that they can connect with the learning in their classrooms!
